ADD TO THE MARKETPLACE

This is a community-driven site. Here's how you can help make it better:

Work in city IT?

List the apps you currently use
Share the apps you're building
Tell us what you need

[Note: final text tbd but will link to ways to participate]

Build or support civic software?

List your tools and where they're in use

Have a question?

Join the community and ask

Learn more   *[-> /participate]*

LATEST ACTIVITY

[-> /<agency-slug>]   *[-> /apps/<app>]*

NYC Dept of Transportation added Drupal

Metropolitan Transit Authority added OneBusAway

City of Baltimore added Open311

[Note: Not clear if this should go to contributions, or just all deployments that are listed for that place. In general, we need to figure out how to distinguish btwn the two]

MOST ACTIVE CITIES

[-> /places]   More ->

[Note: This is showing something different than "browse apps by places" -- it's place-centric rather than app-centric]

MOST ACTIVE

[-> /apps/<app>]   *[-> /places/<place>]*

City and County of San Francisco   **24 Apps**

OpenTripPlanner   **14 Installs**   *[-> /apps/<app>/deployments]*

Noneck   *[-> /community/<user>]*   **132 Contribs**   *[-> /community/<user>#contribs (currently undefined)]*

Phase II Technologies   **14 Apps**

[-> /community/<vendor>]

[-> community/<vendor>/apps OR /community/<vendor>#apps Should this go do an apps list or a deployments list?]

[Note: Cities with the most "stuff" are listed. A small popup will show details for that place, eg: "SF: 43 apps, 12 contributions, 11 community members."]
